The publisher wishes to extend its gratitude to the following organisations for making the first edition of this book possible: Earth Charter Secretariat (Costa Rica), Plan Nederland (The Netherlands), CRLE (Washington Center for Respect of Life and Environment, USA), WWF China, Soka Gakkai International (USA and Japan), Amana-Key Desenvolvimento e Educação Ltda (Brazil), Fundacion Puma (Bolivia), Club of Budapest International (Germany), The Calvert Group (USA). Additional thanks to PLAN Nederland for supplying most of the photographs.

The Earth Charter Initiative is a global movement that promotes the understanding and implementation of the values and principles for sustainable development that are outlined in the Earth Charter. The Initiative involves organizations, groups, and individuals worldwide. The Earth Charter Initiative International Secretariat coordinates major programmes and global undertakings. It develops educational and training materials, facilitates workshops, and seeks international recognition for the Earth Charter (www.earthcharter.org).

This book is initiated and financially supported by NCDO (National Committee for International Cooperation and Sustainable Development), Amsterdam, The Netherlands
